**Invitation to the Inter-Parliamentary Conference on Peace and Stability:
Europe's Common Project - Dublin Castle, 29-30 November 2026**

30 September 2026

Dear Colleagues

I am delighted to invite you to the Inter-Parliamentary Conference on **“Peace and Stability: Europe's Common Project”** which will be hosted in Dublin, Ireland as part of the parliamentary dimension of Ireland's Presidency of the Council of the European Union in the second half of 2026.

Please note that up to four Members of the relevant committee(s) from each national Parliament and two accompanying officials are invited to participate. In case of a national Parliament consisting of two Chambers, the number of Members of its delegations shall be allocated according to their internal agreement.

This conference presents us with an opportunity to come together at this crucial junction for global security to discuss the European Union's role in peace-building, combatting radicalisation and misinformation, and in advancing the role of women in peace and security. The exchange will draw from the experience of the peace process in Northern Ireland to ask what role the European Union should now play in promoting peace and stability.

Please find attached, the draft programme and practical information to assist you with your preparations for our meeting in Dublin.

We look forward to seeing you there.

Yours sincerely,

Cormac Devlin TD
Cathaoirleach of the Joint Committee on the Implementation of the Good Friday Agreement
